

Teaching Certificate

This is to certify that Dr. Shouvik Chaudhuri, who has been working in the capacity of a postdoc with Centre for Industrial Mechanics (CIM) since March 2022, has been actively involved in the teaching activities of our section in various capacities throughout this period. He has contributed to the following courses:

1. Construct Mechatronics, (F22) as Teaching Assistant
2. Control of Autonomous Systems, (E22) as Teaching Assistant
3. Experimental Control Systems, (F23) as Main Lecturer
4. Expert in Teams, (E23) as Supervisor/ co-Supervisor
5. Experimental Control Systems, (F24) as Main Lecturer
6. Control Engineering 1, (F24) as co-Lecturer
7. Expert in Teams, (E24) as Supervisor/ co-Supervisor
8. Experimental Control Systems, (F25) as Main Lecturer
9. Semester Project in Hydraulic Systems (F25) as co-Lecturer
10. Expert in Teams, (E25) as Supervisor/ co-Supervisor

02 February 2026

Apart from the teaching duties of the courses, Shouvik has further played the role of examiner / internal co-examiner for the aforementioned courses and for the course on Statistical Signal Processing during the F22, F23 and F24 sessions. Additionally, he has served as the supervisor or co-supervisor for multiple bachelor's thesis, master's thesis and in-company projects during 2023- 2025.

Given his keen understanding of pedagogical strategies, commitment to academic excellence and dedication to teaching, I have every confidence in recommending Shouvik for any future teaching roles or academic endeavors.

Yours sincerely

Lars Duggen
